*****INSPECTION FEES DUE AT WATER CONSTRUCTION PERMIT ISSUANCE*****

**Metropolitan Domestic Water Improvement District
Plan Review Fees for**

Metro-Main, Metro-Hub, Metro-Diablo Village, Metro-E&T, and Metro-Lazy B Service Areas

Proposed to be Effective July 1, 2015

Project Name/Location:	
Project Number: (assigned at first review)	

Design Review

Includes master planning review, hydraulic modeling, water plan design review, and associated administrative costs to process water improvement plan approvals. Total quantities and costs for applicable submittal.

FIRST REVIEW:	Quantity		Fee		Total
First Sheet	1	@	\$450	=	
Each Additional Sheet		@	\$102	=	
SECOND REVIEW:					
First Sheet	1	@	\$102	=	
Each Additional Sheet		@	\$75	=	
EACH ADDITIONAL REVIEW:			\$75	=	

Plan Approval

Once design review is complete, the following signing materials are to be submitted, previously signed by the appropriate right-of-way and fire jurisdictions (when applicable).

- One (1) – 4 mil Reverse-read double-matte mylar original (retained by MDWID after signing).
- One (1) – reproducible original or cover sheet (returned to consultant after signing).
- Electronic copy in CAD of water plan on CD (or sent in email).

Plan Revision or Re-Approval

Includes reviews for one formal plan revision, occurring after plan approval or during construction. Fee also applies to re-approval of plans after they expire (after one year if permit not issued).

Plan Revision or Re-Approval	\$102	=	
-------------------------------------	--------------	----------	--

Check Number or Payment Type		Date of Payment	
---	--	----------------------------	--

PLAN REVIEW FEES ARE DUE WHEN PLANS ARE SUBMITTED
