

**Metropolitan Domestic Water Improvement District  
Board of Directors Meeting**

**June 11, 2018**

**Approval of Amendment No. 1 for the Analytical Laboratory  
Services Contract for Radiochemical Analyses**

**Synopsis**

The Board of Directors is requested to approve Amendment No. 1 for the Analytical Laboratory Services contract for Radiochemical Analyses with Turner Laboratories, Inc., to extend the contract through Fiscal Year 2019.

**Background**

The Arizona Department of Environmental Quality (ADEQ) enforces federal drinking water requirements of the Safe Drinking Water Act. Water quality testing services necessary to maintain compliance with ADEQ Drinking Water Rules and to ensure the delivery of safe reliable water to customers must be performed by a qualified laboratory.

The contract amount would remain unchanged and would be utilized for contingency sampling. The contract expiration date would change to June 30, 2019 with this Amendment, but would include the option to extend the contract an additional year with Board approval.

**Issues**

Based on ADEQ drinking water regulatory requirements to analyze for Radiochemical Analyses, the District requires the renewal of the Analytical Laboratory Services contract for Radiochemicals for Fiscal Year 2019. In June 2017, the Board of Director's approved the Radiochemical Analytical contract with Turner Laboratories, Inc., with the ability to extend the Contract two additional years. This would be the second year of the contract, pending Board approval.

It is anticipated that for Fiscal Year 2019, no additional funding will be needed for the Radiochemical analytical services contract (see Table 1).

**Recommendation**

It is recommended the Board of Directors approve Amendment No. 1 to the Analytical Laboratory Services Contract for Radiochemical Analyses with Turner Laboratories, Inc., to extend the contract's expiration date to June 30, 2019 for Fiscal Year 2019.

**Suggested Motion**
