Proposed Adjustments to Rates and Fees

Synopsis

The Board of Directors is requested to consider the proposed 0% adjustment in rates and fees for fiscal year 2018. Since the proposed adjustment is not an increase in rates, a hearing was not required this year.

A public Information Meeting was held on Wednesday, June 7, 2017 to give the public information regarding revenue stability as well as provide an opportunity for customers to ask questions about their water district in an informal setting

It is recommended that the Board approve a 0% adjustment in rates and fees for fiscal year 2018.

Suggested Motion

I move to approve a 0% adjustment in rates and fees for fiscal year 2018.
