

**Metropolitan Domestic Water Improvement District
Board of Directors Meeting**

July 11, 2011

Approval of Agreement with San Miguel Corporate Internship

Synopsis

The Board of Directors is requested to approve the agreement with the San Miguel Corporate Internship.

Report

In 2007, the District began a relationship with the San Miguel Corporate Internship. The program has students from San Miguel High School work one or two days a week at a business in order to gain work experience while gaining their degree. The District has utilized the program by having two students rotate working for the District two to three days a week. The District benefits from having additional assistance during the school year for a nominal cost and the student is able to gain real-life work experience. Participating in the program was especially beneficial this year with two very sharp students assisting in customer service.

Recommendation

It is recommended that the Board of Directors approve the agreement with the San Miguel Corporate Internship at a cost of \$10,400. The budget includes monies for this program.

Suggested Motion

I move to approve the agreement with San Miguel Corporate Internship at a cost not-to-exceed \$10,400.

Respectfully submitted,

Mark R. Stratton, P.E.
General Manager
