

**Metropolitan Domestic Water Improvement District**

**Inspection Fees for  
 Metro Main, Metro Hub, Metro Southwest - Diablo Village,  
 Metro Southwest - E&T, and Metro Southwest - Lazy B Service Areas**

**Effective July 1, 2018**

<b>Project Name/Location:</b>	
<b>Project Number:</b>	

**Inspection Fees**

Includes infrastructure inspection fee and backflow inspection fee (if applicable).

- **Infrastructure Inspection Fee** - 2.5% of the construction cost for the public system (water mains, fire hydrants and water services up to the meter, and excluding private fire services after the public valve), or a minimum of \$155.
- **Backflow Inspection Fee** - \$110 per backflow device (backflow prevention is required on all non-residential and irrigation meters only (unless residence tied-into an alternate well source)).

**Infrastructure Inspection Fee:**
