

WAIVER

I hereby consent to the drilling and operation of a well by Metropolitan Domestic Water Improvement District, now or at any time in the future, which may impact my registered well 55-_____. This waiver is made under the presumption that the Arizona Department of Water Resources would find that the operation of the Metropolitan Domestic Water Improvement District well would cause in excess of 10 feet of additional cumulative drawdown over a 5-year period to my well. It is my intent to make this waiver run with the land upon which well 55-_____ is located: it shall remain in effect for the life of the well and shall not be nullified should the well be sold.
