

# NOTICE OF UPCOMING CONSTRUCTION

## NORTHWEST RECHARGE, RECOVERY AND DELIVERY SYSTEM (NWRDRS) TRANSMISSION MAIN & IRONWOOD WELL AND PIPELINE

Notice Date: January 29, 2024

As part of the Metropolitan Domestic Water Improvement District capital improvement program, we will be installing new water transmission mains. The project will improve the reliability of service for our customers in the Metro Main service area.

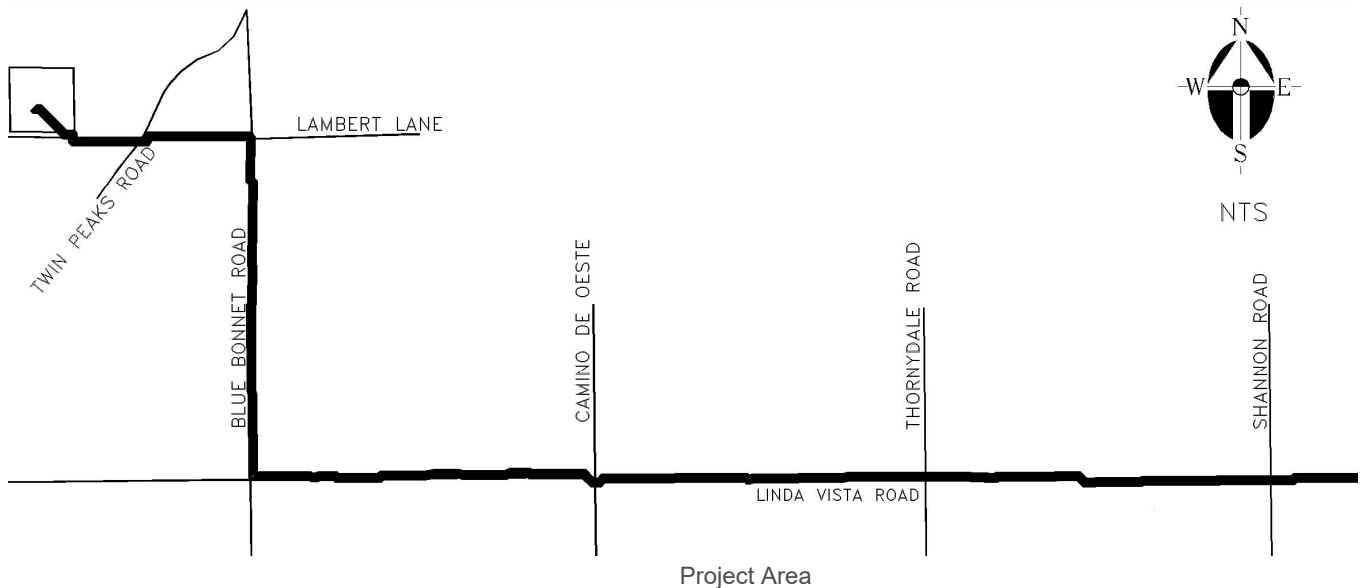

Metro Water contracted with Granite Construction Company to complete the construction, which will occur within public right-of-way and easements. Construction is expected to begin in February 2024 and is anticipated to be complete by March 2025.

Roadway traffic will be maintained during construction. Please expect delays and observe traffic control when traveling through the work zone.

No interruptions in service are anticipated as a result of this construction. **Our contractor is NOT authorized to enter your home for any reason.**

If you encounter any issues due to this work, please contact Chris Pfeffer at (520) 575-8100.

We appreciate your patience and cooperation as we complete this important water system improvement project.
